

QUALITY POLICY

The Kenya National Bureau of Statistics (KNBS) is committed to providing statistical services through production and management of quality statistics.

This shall be achieved by:

- Providing products and services that meet the needs and expectations of the organization's interested parties;
- Attracting and retaining highly skilled and motivated staff;
- Continual improvement of a Quality Management System modelled on the ISO 9001:2015 International Standard;
- Complying with applicable statutory and regulatory requirements;
- Reviewing quality objectives on annual basis.
